This September, your company can compete against workplaces worldwide to see which can encourage the most staff to try riding a bike in September.

You can ride anywhere, anytime during September for fun, fitness or transport. Log rides on your Love to Ride profile or via an app and you will go in the draw for amazing prizes. Plus you will help your team climb the leaderboard.

You can earn points for encouraging, riding regularly and for distance. You can win bikes, holidays, vouchers and more.
