Top 5 FAQs for workplaces:

HOW DO WE EARN POINTS?

Easy! By riding and encouraging others you can earn points to help your workplace climb the leaderboard. You earn one point for each mile you ride, ten points for each day, and up to 100 points for encouraging someone new to take part.

WHO COUNTS AS AN EMPLOYEE?

Any full-time or part-time staff at your organization, either working from home or on-site. To ensure your staff count is accurate, you can exclude anyone on long-term leave that will not be participating.

HOW DO I SET UP A WORKPLACE PROFILE?

Create a profile for yourself first, then you will be prompted to search for your workplace. If there is already a profile for your workplace, you can join at this stage. If not, create one by typing in the company name and a few other details and you're done.

WHAT ARE DEPARTMENTS?

Departments can be set up within Workplace Profiles for the divisions that may exist within your workplace. This may include departments such as HR, Finance, IT, etc.

HOW DO WE WIN?

By earning points! Your workplace's points are the sum of all employees' points, including points for riding and encouraging. The more points you earn, the higher you climb on the leaderboard. You'll be competing against workplaces of a similar size in your area.
