1 - 31  
May  
2022

Create your own team  
Ride anywhere, anytime  
**WIN great prizes!**

# The Bike Month Challenge

Throughout May, riders across the world are creating teams to get outside and enjoy riding their bikes, earn points and win amazing prizes. You can ride anywhere, anytime.

You're invited to create your very own team - it's easy to do, just register at **lovetoride.net/** and give your team a name. Then invite your friends, family, co-workers, riding club, dance class, book group - you name it!

## How does it work?

- Teams are limited to a max of 10 riders
- They will compete in pools of 10 teams
- Earn points for riding your bike and encouraging other people
- Rack up points to climb your pool's leaderboard
- The more points you have, the more prize entries you gain
- New rider on your team? Great! They earn double riding points

## Did someone say prizes?

Yes we did, you could win some great prizes just for riding your bike! From t-shirts and beanies all the way through to a £1,500 bike!

And remember, if you register before the Bike Month Challenge begins on 1 May, you'll be entered into the special prize drawing for £250!
